By the way:

Current students can also connect with alumni to profit from the benefits of the ALUMNI-ANHALT network!

Stay. Connected.

“Let’s take Anhalt University’s success out into the world together and create a strong network of alumni.”

Prof. Dr. Jörg Bagdahn
President of Anhalt University of Applied Sciences

Anhalt University of Applied Sciences is a modern and internationally oriented university with a diverse national and international network.

Who are our ALUMNI?

For 30 years now, Anhalt University has been sending its alumni out into the world and has established itself as one of the largest universities for applied sciences. More than 40,000 students have graduated to date. It also employed more than 1,000 faculty, doctoral students and staff.

Why ALUMNI-Anhalt?

The ALUMNI-Anhalt network is our worldwide alumni community.

We hope that you too have fond memories of your time at our campuses in Dessau, Bernburg or Köthen. As your former university, we welcome you to **Stay. Connected.**

ALUMNI-Anhalt is a network for all those who have studied, researched, worked or taught at Anhalt University.

Department 1 - Agriculture, Ecotrophology and Landscape Development

I have fond memories of the relaxed time I spent at the Anhalt University. With such a personal and dedicated network, founding Gaigames was very easy for me.

You stay in touch with your university.

You will reconnect with old contacts and make new ones.

With your practical knowledge, you will shape our future profile.

You will meet business, academic and political experts from the region.

You learn new skills for your career through a wide range of training opportunities.

We offer you:

- an ever-growing network of valuable contacts
- up-to-date information about what is happening on, in, and around our campuses through our ALUMNI-Anhalt portal and social media channels.
- the opportunity to attend select university and ALUMNI events where you can connect with other alumni
- offers from the Career Service and continuing education at Anhalt University
- the opportunity to support our students and young scientists
- digital access to the university magazine einBlick
- the possibility to use special offers at Anhalt University, e.g. using the library, participating in university sports

Become part of an ever-growing network and take advantage of the opportunities to get involved and help shape it!
