More Information:
www.hs-anhalt.de (Leben - Bernburg - Campus)

Bernburg (Saale)

Bernburg has been hosting a university for more than fifty years. Currently, more than 3,000 students from various German regions and all corners of the world call Bernburg and its university home.

State-of-the-art teaching and research buildings, a number of on-campus student residence halls, well-tended sport facilities and various green spaces dotted around the campus add to a high-quality package of excellent living and studying facilities that make up the campus at Bernburg-Strenzfeld.
