## Confirmation

Hereby we confirm the following facts concerning our Master Program:

The Master's program "Master Architecture (DIA)" at Anhalt University of Applied Sciences, Department of Architecture, Facility Management and Geoinformation at the Dessau Campus leads to the degree M.A. It is a 4-semester full-time program taught entirely in English and requires compulsory attendance at lectures, seminars, excursions, exercises and projects. The program begins annually in the winter semester.

*The duration of the upcoming winter semester is October 1, 2023 to March 31, 2024*

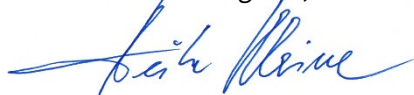

Hochschule Anhalt is a federal institution. On the basis of the right of in-house degree program accreditation conferred by "Stiftung Akkreditierungsrat" on April 1, 2022 the Master Program Architecture (DIA) has been accredited based on the resolution of "Interne Akkreditierungskommission", dated 21.12.2022 and is valid for the period 01.04.2021 to 31.03.2029. The academic degree „Master of Arts“, awarded by the Hochschule Anhalt, is listed in Annex V of the Professional Qualifications Directive 2005/36/EC and hence fulfils the qualification requirements of article 46 of the European Directive.

Currently the general administrative fee for this program - per semester – is:

for the Master Program	850,- €
for semester contribution	<u>96,- €</u>
in total	946,- €

As payment of the semester fee is a prerequisite for enrolment in each semester the personal certification of enrolment ("Immatrikulationsbescheinigung") is also proof of fee payment for each student.

With kind regards,
