Required Payments

Dear Students,

in order to enroll for the DIA Master Program you are asked for two administrative fees to be paid before the beginning of each semester. These are:

1.) Administration fee to DIA (Dessau International Architecture Graduate School)	850,00 EUR
2.) Semester Contribution Hochschule Anhalt	86,00 EUR

Please transfer the total amount of 936,00 EUR

to

Remitee: Hochschule Anhalt (FH)
Account-Nr.: 81001539
Bank Code: 81000000
Bank: Deutsche Bundesbank
BIC: MARKDEF1810
IBAN: DE35810000000081001539

Reason of Payment: *Applicant's Number_ Last Name, First Name_MAD*
[for example: 123456 Koolhaas,Rem MAD]

Postal Address: Deutsche Bundesbank Magdeburg
Breiter Weg 215
39104 Magdeburg
Germany

Note: Due to automatic processing please make sure you have filled in the Reason of Payment left-aligned and without a blank before your *Applicant's Number*.

Payment of this fee is a prerequisite to enroll as a student at Hochschule Anhalt! (see information on „enrollment and registration“). Please bring a receipt of the transfer to show at registration!

The account is open for transfer from July 15th 2021.

As experience has shown banks often charge for transfers, and quite often subtract those fees from the amount you are transferring. As the school does not pay any fees for you, you need to make sure with your bank that the whole amount of 936,00 EUR arrives at the schools account, only then will you be able to get registered.

Best Regards,
