

## Author's declaration for publishing a written work through Anhalt University Library

1. I hereby grant the staff of Anhalt University Library the right to publish the following publication  
\_\_\_ in printed form, \_\_\_ on data carriers, \_\_\_ digitally (via the Open Access repository "[Share\\_it](#)").  
*Please note:* Metadata and full texts of digital documents stored on Share\_it are readily accessible on the internet and can be found using search engines.
2. Publications are listed in the library catalog (excluding final theses) and forwarded as deposit copies to the German National Library, the University and State Library of Saxony-Anhalt and to other libraries as part of the publication exchange.
3. The work will be published digitally as a PDF/A file<sup>1</sup> in the "Share\_it" repository. A DOI will be assigned to your electronic full text, allowing your published work to be cited and accessed permanently.  
I give permission to the use of the Creative Commons License CC-BY 4.0 as a license model.   
I would like to publish my work under a different license:  
CC BY-\_\_\_\_\_ 4.0
4. I grant Anhalt University Library the non-exclusive right of use for reproduction, online publication and the right for long-term archiving. Copyright remains unaffected.
5. I assure all relevant parties that the digital publication on the internet will face neither copyright nor licensing issues and that no third party's rights will be violated. In the event that I face any legal obstacles, I will inform the providers of the publication server "Share\_it" immediately.
6. I agree to any future conversions of the document into other data formats for the purpose of long-term archiving.
7. I understand that a digital publication leads to permanent searchability of the document (bibliographic data and full text) via search engines, Open Access directories and library catalogs.
