

External Access to Electronic Resources of the University Library

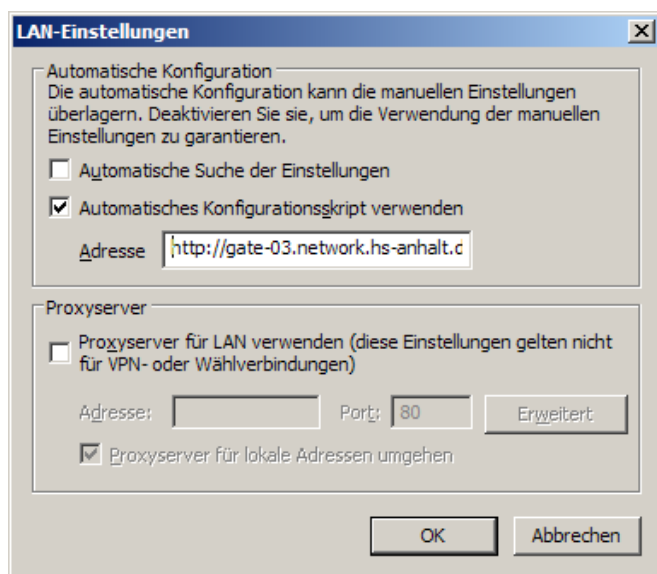

To access our electronic resources from external locations, you have to modify your browser settings as follows:

Internet Explorer (german menu):

Please click the button „Extras“ and „Internetoptionen“, then „Verbindungen“ and then go to „LAN-Einstellungen“.

Please check the box „Automatisches Transfigurationsskript verwenden“ and fill in the following address: „<http://gate-03.network.hs-anhalt.de/proxy.pac>“ (without quotation marks)

Please confirm the new settings clicking „ok“.

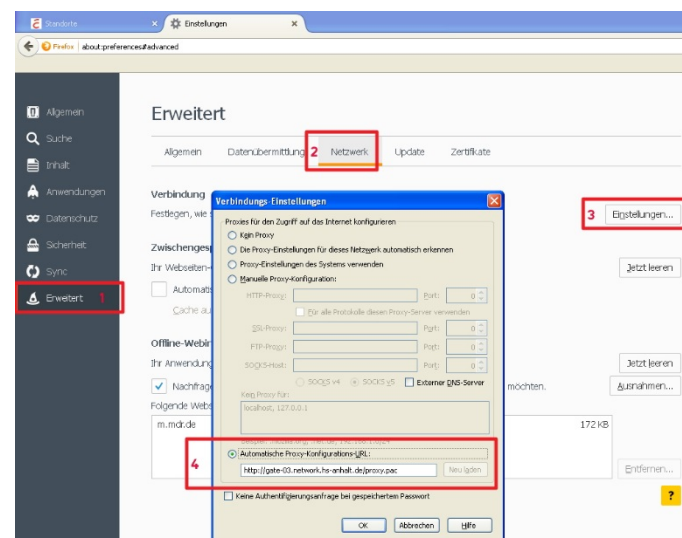

Please remove all settings if you don't need access anymore!

Firefox (german menu):

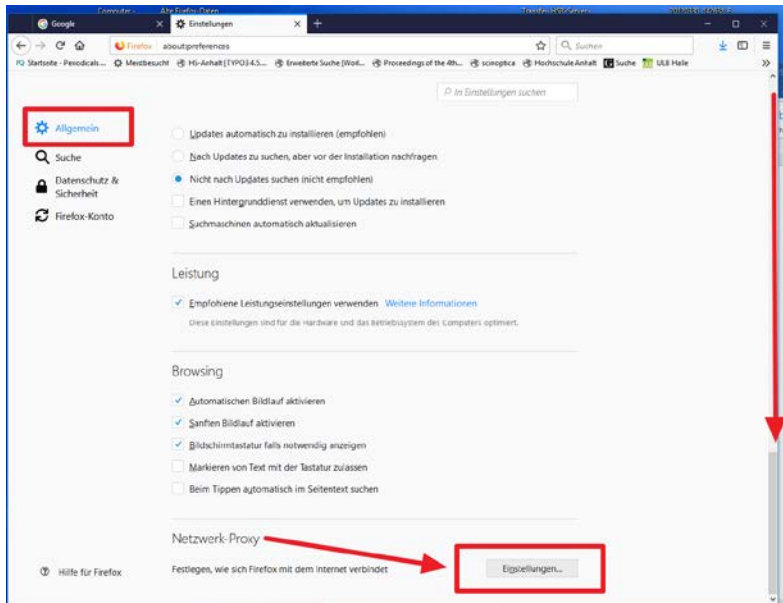

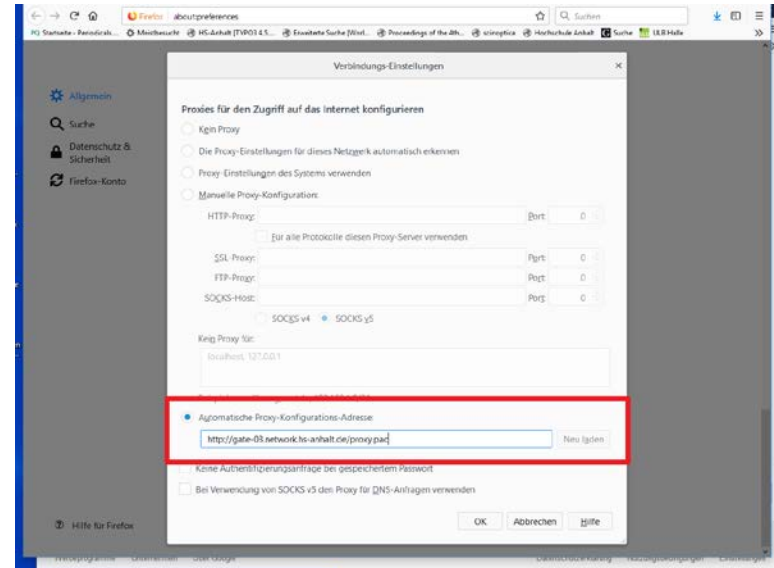

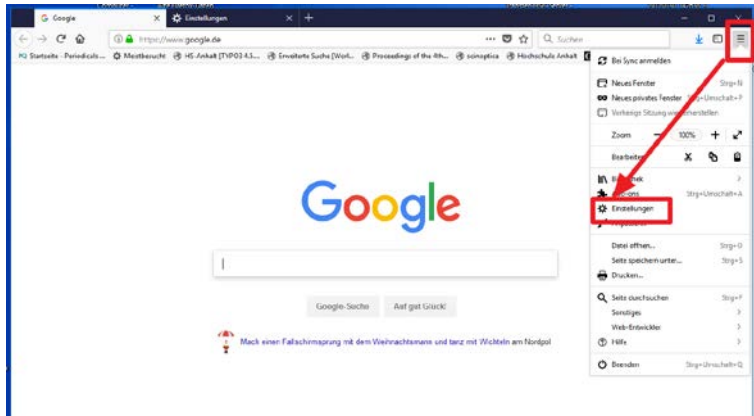

Within the menu „Extras“ please go to „Einstellungen“ and „Erweitert“. Please click „Netzwerk“ and then „Verbindung“ and „Einstellungen...“

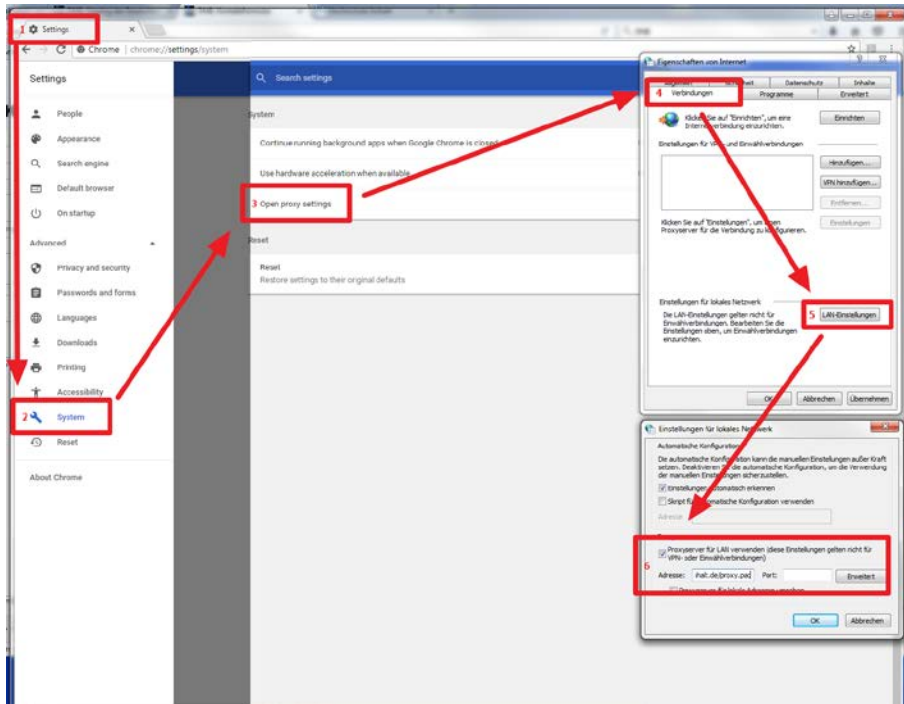

Please tick „Automatische Proxy-Konfigurations-URL“ and enter the following address: „<http://gate-03.network.hs-anhalt.de/proxy.pac>“

Please confirm the new settings clicking „ok“.

New Firefox Layout:

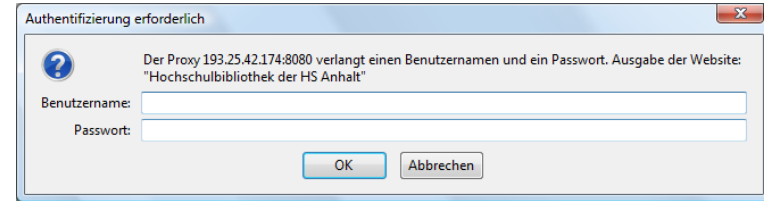

If you don't need access anymore, please remember to log out at "kein Proxy"!

Please note: Please **don't try** to access using **windows edge**, there might be no access possibilities.

Authentication:

To access licensed products you will be asked to authenticate.

Firefox:

Internet Explorer:

Please use your University authentication:
