

Dear Students,

on behalf of Local Erasmus Initiative, your Erasmus Management Student Organisation, I am thrilled to welcome you to an exciting journey!

Immerse yourself in the vibrant "Erasmus Vibe" at Anhalt University with events fully in English. These enriching experiences will unfold during Orientation Days in one Week across all three campuses: Bernburg, Köthen, and Dessau. This Winter Semester 2026/27, EMSO is set to bring the world to Anhalt, empowering Anhalt to touch the world. Dive into student friendly events that are completely free, offering snacks, soft drinks, and exclusive museum visits for up to 30 students. Keep in mind, our events have limited seating, based on a first-come, first-served basis, comfortably accommodating 25-45 participants per session. Explore Anhalt with EMSO LEI, because thousands of students have embraced this adventure before you, and you can too.

The world is your campus, let's explore it together with curiosity and courage!

Warm regards,

Madiyar Nurgozha
